## Map Key

● Hospitals

● Providers and Specialists

Coverage includes Ohio and Kentucky counties, Boone, Kenton and Campbell

## Rigorous Quality Standards

Approved SuperMed Network doctors and hospitals must undergo an extensive quality review. Our strict guidelines ensure all providers are fully credentialed every three years, maintaining a hospital turnover of less than 1%.

## Ancillary Contracts

We contract with several national ancillary providers, including Quest Diagnostics, Apria Healthcare, Davita, Coram, LabCorp and more.

## National Network Coverage

We can offer nationwide access to high-quality, in-network care through Private Healthcare Systems (PHCS), one of the largest PPOs in the United States.
